We are Seattle's only venue that donates 100% of profit to charity — so you can host an event and make the world a better place while you're at it.

About

The event space is located in the heart of Historic Ballard — directly on Ballard Avenue. We can host a wide variety of events including — private parties, corporate meetings, fundraisers, and wedding receptions. This historic space features gorgeous finishes, exposed brick, marble bar-tops and two separate floors each with their own bar. The space includes a full kitchen for the caterer of your choice. We offer multiple options based on your unique event size and needs.

FAQ

DO YOU REALLY DONATE ALL PROFIT TO CHARITY?

We do! It might sound crazy but there are actually existing organizations already doing this — Newman's Own for example. We cover our overhead (i.e. facility costs, labor) then donate the rest. That's it.

WHAT CHARITY DOES MY EVENT PROFIT GO TOWARDS?

Up to you! If you have one you already love we'd love to contribute to them! If not, we have 3-4 rotating charities working in diverse areas that we've developed personal relationships with. We'd be happy to briefly share what each organization does and you can choose one you'd like your profit to go towards.

ARE YOU LOOKING FOR CHARITIES TO ADD TO YOUR RECOMMENDED LIST?

Always! We love connecting with and learning about great people working with great organizations doing great work. If you have a non-profit you love (or work for one) send them our way and we will reach out to connect and learn more.
