

# EVENT MANAGEMENT

CATHEDRAL

## JUST THE BASICS, PLEASE

Want to take the wheel on your event and handle all the things? No problem — we are here to support that! For every guest that books with us, there will be an Event Host on site to light candles, be a resource for vendors, and answer questions.

INCLUDED

A photograph of a man in a dark suit and tie kissing a woman on the cheek. The woman is wearing a white, backless wedding dress. The background is dark with warm, out-of-focus lights.

# NEED A LITTLE HELP HERE

Already got some pieces  
dialed and could just benefit  
from day of coordination?

We can do that too!

This package allows our  
guests  
to be hands-on with  
additional assistance on the  
day of the event.

# TAKE IT ALL

We get it! Life is busy and it turns out you still have to order groceries and work even though you're planning a celebration.

Let us take some of that work off your hands so you can breathe a little easier and focus on the important things. Three months before the event, the Event Manager will be there for you to deal with logistics. From floor plannings, mock ups, and set ups - the Event Manager will be there to ensure the night runs smoothly.
